

TOTE-ALONG BOBBER GAUGE FULL TANK INDICATOR

ALERTS YOU BEFORE OVER FILLING

The Tote-Along Bobber Gauge (p/n 26835) alerts you before over filling. It eliminates potential spills and accompanying mess. The Indicator installs in seconds and attaches to any 3/4" male garden hose opening. The red tipped "bobber" provides a visual signal when your tank is almost full.

Look for the Tote-Along Bobber Gauge at your favorite RV parts and accessories dealer.

Easily installs on any portable holding tank.
